Who We Are, What We Do

th1ng (thing one) and th2ng (thing two) are production partners exclusively representing a wide range of directing/designing talent.

We have been established since 2003, producing high quality work for film, TV, web and events.

We can work in all media – live action (th2ng), animation 2D or 3D and graphics (th1ng).

We have 25 directors / designers signed to the company exclusively, alongside production and support staff of 15, 3 full time editors and a flexible compositing and 3D team.

In house we also have our own Agency creatives - both ex WCRS creative directors.

Our Middle East Offices

We are in partnership with Al Fahim IMC holding with offices in Abu Dhabi, Dubai, Doha and Muscat.

Our Flexible Approach

We can work directly with clients, helping to create the brief and then the strategy and execution of advertising, promotional and branding work.

We can also work with agencies / clients on written scripts completing individual pieces of work

Our Integrated Approach

Based in our purpose built offices in Soho, London, th1ng and th2ng have all production and post production services in house, including a fully equipped shooting studio. All post production take place in-house in Wardour street from compositing to full 3DCGI.

We are able to offer a complete one stop-shop, from strategy to idea to execution all under one roof.

Our Facilities

Our Client Base

We work internationally, with clients based in Dubai, South Africa, Italy, France, the USA and of course, London. Our team is adept at working with local cultures and local production methods. Getting things done creatively and practically and on time in difficult circumstances is part of our business.

We are always pleased to talk about a project from an early stage and show visuals, treatments and tests to explain our creative approach. Our many delighted clients include advertising agencies, TV stations and film companies, some are listed below;

Saatchi and Saatchi, BBH, DDB, Euro RSCG, Y&R, Fallon, Grey, Leo Burnett, JWT, WCRS, Channel 4, BBC, Sony Pictures, Universal Pictures, Warner Brothers, CNN, Mother, McCann Erickson...
